# Play your part... get a community test

**Community testing is a way everyone can protect their family and friends.**

Not everyone who has COVID-19 has symptoms but they can still spread the virus.

Community testing is a free and easy way to do this.

The more of us that take part the better we can protect our family, friends and communities.

Find out more at [www.kirklees.gov.uk/covid19communitytesting](http://www.kirklees.gov.uk/covid19communitytesting)
